Notes:

1. The current Tariff for Fees and Commissions of Raiffeisenbank (Bulgaria) EAD for Deals and Operations with Financial Instruments for Individual clients and Legal entities and financial

institutions revokes and fully substitutes Chapter 5 of the Tariff for Fees Commissions of Raiffeisenbank (Bulgaria) EAD for Individual clients and Chapter 4 of the Tariff for Fees Commissions of Raiffeisenbank (Bulgaria) EAD for Legal entities and Sole traders.

- 2. Illustrative information for the usual expected costs by type of the financial instrument can be found on <https://www.rbb.bg/bg/individualni-klienti/produkti-uslugi/investicii/investicii-i-valuten-pazar/>. The information in the abovementioned link is indicative as the sum of the costs may vary depending on the investment amount, the holding period and the specific market situation.*
- 3. For cases not expressly specified in the current Tariff and/or in case the terms and conditions are pre-agreed with a client via individual agreement, the terms and conditions of the individual agreement between the Client and the Bank shall apply.*
- 4. In Point 2: Operations with Financial Instruments and Maintenance of securities accounts fees and commissions are indicated in euro for convenience, but are re-calculated in the currency of the account, from which the fees are debited by using the BNB central exchange rate for the respective currency on the day of the operation/ liability.*
- 5. When a currency exchange related to the operations within the scope of Point 1: Investment Services in Financial Instruments is required, the exchange is effected based on the official Bank's "buy" or "sale" exchange rate for the respective currency for the day. Where applicable, the client might be given preferential exchange rate in line with internal bank rules.*
