**V. USER RIGHTS FOR PARTICULAR ACCOUNTS**

Accounts	Register	Deregister	Active banking	Active banking with mass payments*	Passive banking	Banking with limited rights***	Limits for outgoing transfers**						
							No limit	Per transaction	Daily limit	Weekly limit			
B		RZBB9155											
B		RZBB9155											
B		RZBB9155											

\* Payroll contract with Raiffeisenbank (Bulgaria) EAD from date ..... (to be filled by a bank officer in case that an option with mass payments is chosen by the Customer).  
 \*\* The stated limits give rights only for sending of payment order up to the determined amount, but not its signing. For limits by signing rights should be filled in Section VI. The limits are set in currency units and are valid only for orders initiated via Raiffeisen ONLINE. The limits for package or mass payments relate to the whole file of payments, not for a single payment of the file. For more specific limits, please fill in section VI for each account.  
 \*\*\* Rights for review of balances and movements and rights for creating, cancelation and sending of payment orders and mass payments, without the right to sign/authorize operations and without a possibility for giving limits for sending according to (\*\*). The right for creating, cancelation and/or sending towards a user with authorization rights for mass payments is valid if there is a Payroll contract with Raiffeisenbank (Bulgaria) and on condition that the contract's date is provided according to (\*).

**VI. SPECIFIC USER RIGHTS FOR ACCOUNTS FOR Raiffeisen ONLINE** (to be filled if section III or V is not used)

**Disclaimer\*\*\*\*\*:** .....

\*The limits can be defined in currency units and are valid only for orders initiated via Raiffeisen ONLINE. *The limits for package or mass payments relate to the whole file of payments, not for a single payment* included in the file. If it is required a **limit on a specific signature** it should be specifically described in the "Disclaimer" field or to be attached additional sheet along with the application, if needed.

\*\* Payroll contract with Raiffeisenbank (Bulgaria) EAD from date ..... (to be filled by a bank officer in case that an option with mass payments is chosen by the Customer).

\*\*\*Bulk payments - these are the following orders that can be loaded from a file in the system: 1. Loading files with orders type credit transfer (standard payments) 2. Loading files with orders for payments to the budget 3. Loading files with orders of the direct debit type 4. Loading files with orders for outgoing payments in foreign currency.

\*\*\*\* Bulk payments in euro to countries in EU in XML format

\*\*\*\*\*Group signatures – that include signatures of more than one person

\*\*\*\*\*If "All user rights" is chosen, group or individual signature types of payments must be specified in the **Disclaimer** field or attached using a separate sheet to the application

\*\*\*\*\*Balance information for card accounts is updated after exchanging files with card operators
