## VI. GENERAL PROVISIONS

1.	The applying of bank Tariffs for BGN and FCY depends on the currency of the operation. Outgoing payments in BGN to other banks abroad are charged according to the Tariff of the Bank for payments in foreign currency.
2.	Commissions, fees, and charges related to foreign currency transactions are provided in EUR for convenience, but are collected in the currency equivalent of the respective account as per the official exchange rates of The Bulgarian National Bank for the respective currency for the day of the transaction.
3.	The expenses of other banks related to outgoing foreign payments or documentary operations, are calculated as of "ask" / "bid" rate of Raiffeisenbank for the respective currencies on the settlement day.
4.	If there is no sufficient balance on a Customer's account in the currency of the transaction for covering the bank's commissions and charges, the Bank shall be entitled to debit any other account of the Customer with the equivalent in the respective currency at the Bulgarian National Bank reference exchange rate for the day of settlement, up to the total amount of commissions and charges due.
5.	RBBG reserves its right to claim its commissions and charges from the remitter when in their order it is indicated that these fees are at the expense of the beneficiary, but RBBG is unable to collect them from the latter.
